

Chapter 9 - Social Stratification, Reflection 2

Given what we now know about social stratification, select **one of these two statements** and explain why the statement is true or false and why. Use the text, the PowerPoint slides and your personal feelings to answer this question.

- A. The poor are mostly responsible for their own poverty.
- B. The culture of poverty produces a self-perpetuating cycle of poverty.

As always, this assignment should be written in MLA style.
